

# XBR25 RECUMBENT BIKE

The XBR25 is our entry-level semi-recumbent bike with coveted features like an easy-to-read backlit LCD screen, a built-in swivel fan, and multiple programs to keep you in peak performance. Convenience is at the core of the XBR25 with plenty of drink holders and places to store accessories, a tablet-friendly reading rack, and an adjustable console angle to ensure you get the best view in the house every time. The adjustable mesh-back seat will help ensure you are comfortable and cool whether you are working out for 5 minutes or 50 minutes!

## FEATURES

- Oversized 7.5" bright blue LCD is easy to read with all necessary workout feedback
- Contact and wireless heart rate monitoring options make your workouts more effective (chest strap sold separately)
- Adjustable console angle, tablet-friendly reading rack, and cooling fan for added comfort
- Easy access fore/aft seat adjustment with large breathable mesh back seat
- Step-through frame design for easy accessibility
- Smooth and quiet drive system featuring sealed roller bearings, large diameter pulley, durable poly-v belt, and heavy-duty flywheel
