

XE195 ELLIPTICAL

The XE195 is our entry-level elliptical. You get all of the dependability and reliability of our other models in a more wallet-friendly package. Features like an adjustable blue backlit console, contact heart rate grips, and a smooth aluminum track system with a 20" stride length give users of all levels a convenient workout.

FEATURES

- 7.5" bright blue backlit LCD screen
- Smooth 20" stride is the optimal length for user comfort
- Durable track system with concave roller wheels and aluminum rails for added stability and durability
- Narrow 2" pedal spacing with 2-degree inversion angle provides a comfortable foot placement for users of any size
- Adjustable console angle, tablet-friendly reading rack, and cooling fan for added comfort
- Contact and wireless heart rate monitoring options make your workouts more effective (chest strap sold separately)
